

Disaster Case Management Program Catholic Charities

DR 4087 CT

Client Eligibility

Survivor Eligibility:

Individuals and families whose losses occurred in the State of Connecticut at the time of the disaster and have a verifiable disaster caused unmet need that cannot be met through Federal, State, or Local disaster Assistance.

Households that have relocated due to the disaster may be eligible for services

Undocumented survivors are eligible for DCM Services. They can be referred to local organization for continuing assistance. If an undocumented household has a legal resident or a US citizen, that household is eligible to receive federal assistance.

A Disaster caused un-met need is any un-resourced item, support, or assistance that is necessary for the survivor to recover from the disaster. Unmet needs may include basic needs such as food, shelter, and first aid, as well as financial, physical, emotional or spiritual well-being, and needs that were exacerbated by the disaster.
